

STEM EXPO 2026

Discover. Explore. Innovate.

MAY 1 - MAY 2

Lompoc High School Gym

Call for Student Projects

Encourage your **3rd-12th** grade students to participate and present their work.

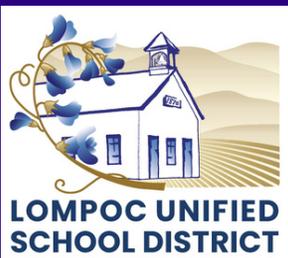

Project guidelines & info: ccstemexpo.org

Want to Volunteer?

Help support this exciting community event. Volunteers assist with setup, judging support, and general event operations. Lunch will be provided for volunteers on both days. Learn more or sign up at: ccstemexpo.org/volunteer

Join Us and Celebrate STEM on the Central Coast

Join us for a free, community-wide celebration of science, technology, engineering, and mathematics. Students from across the Central Coast will exhibit their STEM projects for peers, families, educators, and the public.
